

Therapsopodoida
Chondracanthidae.

Testes = synonym.
Kröyer, 1845.

To. lumpyi.

This name had been preoccupied
by Leach in 1817 for a genus of Neurop-
terous insects — Kröyer changed
it to the feminine form ληστῆρα in
1863. But it proves to be a syno-
nym for Sphyrion (Cuvier, 1830).

Ληστής = A Robber.
