

Donusa clymenicola Nordmann, 1864

Nordmann 1864 Bull.Soc.Imp.Nat.Moscou, 37:494 (Vi, 4-6)
(parasitic on Annelid, Clymene lumbricalis Fabricus)

Levinsen

(merely mentioned Donusa in the list.)

Wilson 1922 Proc.U.S.Nat.Mus., 60:72

(said: No one except Normann has ever seen specimens of the genus and no other investigator has even mentioned them except Levinsen, who published a list of parasitic copepods found upon Annelids)

Gooding 1963 Dissertation, p.225
