List of sponges found in Cuba (after 1970).

Pedro M. Alcolado
Institute of Oceanology
Academy of Sciences of Cuba

Note: All sponges were identified by the author.
(*) Species recorded for Cuba by the author.

Spongia tubulifera Lamarck
Spongia obliqua Duchassaing & Michelotti
Spongia barbara Duchassaing & Michelotti
Spongia obscura Hyatt
Spongia graminea Hyatt
Hippopsongia lachne Laubenfels
*Hyatella intestinalis (Lamarck)
*Hyrtios proteus Duchassaing & Michelotti
*Hyrtios violacea (Duchassaing & Michelotti)
Ircinia strobilina (Lamarck)
Ircinia campana (Lamarck)
Ircinia felix (Duchassaing & Michelotti)
~Ircinia sp.
*Smenospongia cerebriformis (Duchassaing & Michelotti)
  Smenospongia echina (Laubenfels)
*Dysidea fragilis (Montagu)
*Dysidea janiae (Duchassaing & Michelotti)
*Dysidea etheria Laubenfels
*Aplysilla vanseesti n. sp.
*Darwinella rosacea Hechtel
*Igerella notabilis (Duchassaing & Michelotti)
  Aplysina fistularis (Pallas)
  Aplysina lacunosa (Lamarck)
*Aplysina archeri (Higgin)
  Aplysina cauliformis (Carter)
*Aplysina ocracea Alcolado
*Verongula rigida (Esper)
*Verongula gigantea (Hyatt)
*Verongula reiswigi (Alcolado)
*Pseudoceratina crassa (Hyatt)
  Haliclonia hogarthi Hechtel
*Haliclonia curacaoensis (Soest)
*Haliclonia manglaris (Alcolado)
*Haliclonia implexiformis (Hechtel)
*Haliclonia cærulea (Hechtel)
*Haliclonia piscaderaensis (Soest)
*Haliclonia variabilis n. sp.
*Haliclonia abbreviatus (Topsent)
*Haliclonia pseudomituba Weerd, Ruetzler & Smith
*Acervocalia molitba (Laubenfels)
  Amphimedon compressa Duchassaing & Michelotti
  *Amphimedon viridis Duchassaing & Michelotti
*Niphates digitalis (Lamarck)
*Niphates erecta Duchassaing & Michelotti
*Niphates ramosa (Carter)
*Niphates caribica (Pulitzer-Finali)
*Niphates areolata (Wilson)
*Niphates recondita (Wiedemann)
*Aka coralliphagum (Ruetzler)
*Aka brevitubulatum (Pang)
*Siphonodictyon xamaycaense Pulitzer-Finali
*Cribrochalinia vascularis (Lamarck)
*Cribrochalinia dura (Wilson)
*Raphisia menzeli Little
*Callyspongia plicifera (Lamarck)
*Callyspongia vaginalis (Lamarck)
*Callyspongia armigera (Duchassaing & Michelotti)
*Callyspongia tenerrima Duchassaing & Michelotti
*Callyspongia fallax Duchassaing & Michelotti
*Callyspongia arcuosa Laubenfels
*Callyspongia pallida Hechtel

~*Dactylia sp.
*Xestospongia muta (Schmidt)
*Xestospongia subtriangularis (Duchassaing & Michelotti)
*Petrosia pellasarca (Laubenfels)
*Petrosia weinbergi Soest
*Strongylophora davilai Alcolado
*Strongylophora incrustata Alcolado & Gotera
*Poliolina peltata Schmidt
*Oceanapia bartschi (Laubenfels)
*Oceanapia oleracea (Schmidt)
*Oceanapia fistulosa (Bowerbank)
*Pellina carbonaria (Lamarck)
*Pellina nodosa (George & Wilson)
*Calyx podatypa (Laubenfels)
*Mycale laevis (Carter)
*Mycale microsigmatosa Arndt
*Mycale angulosa (Duchassaing & Michelotti)
*Mycale laxissima (Duchassaing & Michelotti)
*Mycale magniraphidifera Soest
*Deemapsamma anchorata (Carter)
*Holopsmma helwigi Laubenfels
*Itrochota birotulata (Higgin)
*Monanchora arbuscula (Duchassaing & Michelotti)
*Todania ignis (Duchassaing & Michelotti)
*Lissodendoryx isodiactylalis (Carter)
*Lissodendoryx sigmata (Laubenfels)
*Acarnus innominatus Gray
*Acarnus deweerdtae Soest, Hooper & Hiemstra
*Forcepia grandisigmata Soest
*Xytopsues osburnensis (George & Wilson)
*Coelosphaera raphidifera Hechtel
*Coelosphaera microraphida Alcolado
*Phorbas amaranthus Duchassaing & Michelotti
*Clathria juniperina (Lamarck)
*Clathria spinosa (Wilson)
*Clathria calla (Laubenfels)
*Clathria schoenus (Laubenfels)  
*Clathria venosa (Alcolado)  
*Clathria echinata (Alcolado)  
*Clathria minutus (Soest)  
*Artemisia melana Soest  
*Pandaros acanthifolium Duchassaing & Michelotti  
*Keratyllum (?) rubrum Alcolado  
*Bienna tubulata (Dendy)  
*Desmacella campechiana (Topsent)  

~*Desmacella sp.  
Neofibularia nolitangere Duchassaing & Michelotti  
Neofibularia cribaria Alcolado & Gotera  
*Didiscus oxeata Hechtel  
*Halichondria panicea (Pallas) sensu Little  
*Halichondria melanadocia Laubenfels  
*Halichondria lutea Alcolado  
*Epiopolis gyraderma (Alcolado)  
*Hymeniacidon amphilecta Laubenfels sensu Pulitzer-Finali  
*Dictyonella ruetzleri (Wiedenmayer)  
*Dictyonella hispida (Hechtel)  
*Dictyonella funicularis (Ruetzler)  
*Axinella polycapella Laubenfels  
*Axinella morchella (Wiedenmayer)  
*Axinella burtoni Laubenfels  
*Ptilocalia walpersi (Duchassaing & Michelotti)  
*Pseudaxinella lunaecharta (Ridley & Dendy)  
Homaxinella waltonsmithi Laubenfels  
*Phakellia folium Schmidt  
*Auletta sycinaria Schmidt  
*Bubaris cubensis Alcolado  
*Higginsia strigilata (Lamarck)  
*Myrmekioderma styx Laubenfels  
*Ectyoplasia ferox Duchassaing & Michelotti  
*Eurypon(?) laughlini Diaz, Alvarez & Soest  
*Trycheupiron viridis (Topsent)  
Cyamoh vickersi (Bowerbank)  
*Agelas sceptre (Lamarck)  
*Agelas dispers Duchassaing & Michelotti  
*Agelas conifera (Schmidt)  
*Agelas clathrodes (Schmidt)  
*Agelas cylindricus(Carter)  
*Agelas schmidtii Wilson  
*Agelas wiedenmayeri Alcolado  
*Agelas citrina Gotera & Alcolado  
*Scopalina(?) tubulosa Alcolado & Gotera  
Spirastrella cuspidifera (Lamarck)  
Spirastrella cocciinea (Duchassaing & Michelotti)  
Spirastrella punctatix Schmidt  
*Timea squamata (Schmidt)  
*Timea perastra Laubenfels  
*Cliona vesparia (Lamarck)  
Cliona varians (Duchassaing & Michelotti)  
*Cliona vermilfera Hancock  
*Cliona c.f. mucronata Sollas  
*Cliona schmidtii (Ridley).
*Cliona caribbaea Carter
*Cliona lampa Laubenfels
*Cliona delitrix Pang
*Cliona aprica Pang
*Cliona langae Pang
*Cliona laticavicolata Pang
*Cliona paucispina Ruetzler
*Cliona flavifodina Ruetzler
~*Cliona sp.
~*Cliona sp.
~*Thoosa sp.
*Terpios fugax Duchassaing & Michelotti
  *Suberites aurantiaca (Duchassaing & Michelotti)
  *Aaptos bergmanni Laubenfels
  *Polymastia nigra Alcolado
  *Proserberites scarlatum Alcolado
  *Tethya aurantium (Pallas)
  *Tethya actinia Laubenfels
  *Tethya crypta (Laubenfels)
  *Placoapongia carinata (Bowerbank)
  *Chondrilla nucula Schmidt
  *Chondrosia colectrix (Schmidt)
  *Chondrosia reniformis Nardo
  *Geodia gibberosa Lamarck
  *Geodia neptuni (Sollas)
  *Geodia papyracea Hechtel
  *Erylus bahamensis Pulitzer-Finali
  *Erylus trispheczus (Laubenfels)
  *Erylus ministrongylus Hechtel
  *Jaspis (?) pudica Wiedenmayer
  *Asteropus ketostea (Laubenfels)
  *Asteropus album (Alcolado & Gotera)
  *Stelletta kallitetilla Laubenfels
  *Stelletta fibrosa (Schmidt)
  *Ancorina dominicana (Pulitzer-Finali)
  *Pachastrella monilifera Schmidt
  *Dercitus lithistinus (Schmidt)
  *Neothenea enae Laubenfels
  *Cinachyrella alloclada Ulicka
  *Cinachyrella kuekenthali Ulicka
  *Discoderma dissoluta Schmidt
  *Discoderma polydiscus (Schmidt)
  *Plakortis angulospiculatus (Carter)
  *Plakortis zeai n. sp.
  *Plakortis laubenfelsi n. sp.
  *Corticium tetralophum Hechtel
  *Halisarca caerulea Vacelet & Donadey
  *Ceratoporella nicholsoni (Hickson)
  *Stromatospongia vermicola Hartman
  *Clathrina coriacea (Montagu)
  *Dactylocalyx pumiceus Stutchbury
  *Myliusia conica (Schmidt)
  *Margaritella coeloptychoides Schmidt
  *Hyalonema kenti (?) (Schmidt)
  *Pheronema annae Leidy
