

^{Enterocolidae - Notodelphyoida -}
Plantipode = synonym.
Hesse, 1864. P. ruber

Syn. Ichnograde Hesse, 1864, p. 349.
Plantipode Hesse, 1864, p. 358.

In the text Hesse called the species "Ichnograde rouge". but in the explanation of the plates, and on the plate itself he used the name Plantipo de, which becomes a synonym.

Notodelphyocid -

Plantipode ruber Hesse - ♀.

— Hesse, 1864, p. 358, also Plate 12.

Called Ichnograde ruber in the text on p. 349 - hence this name becomes a synonym of that one.
